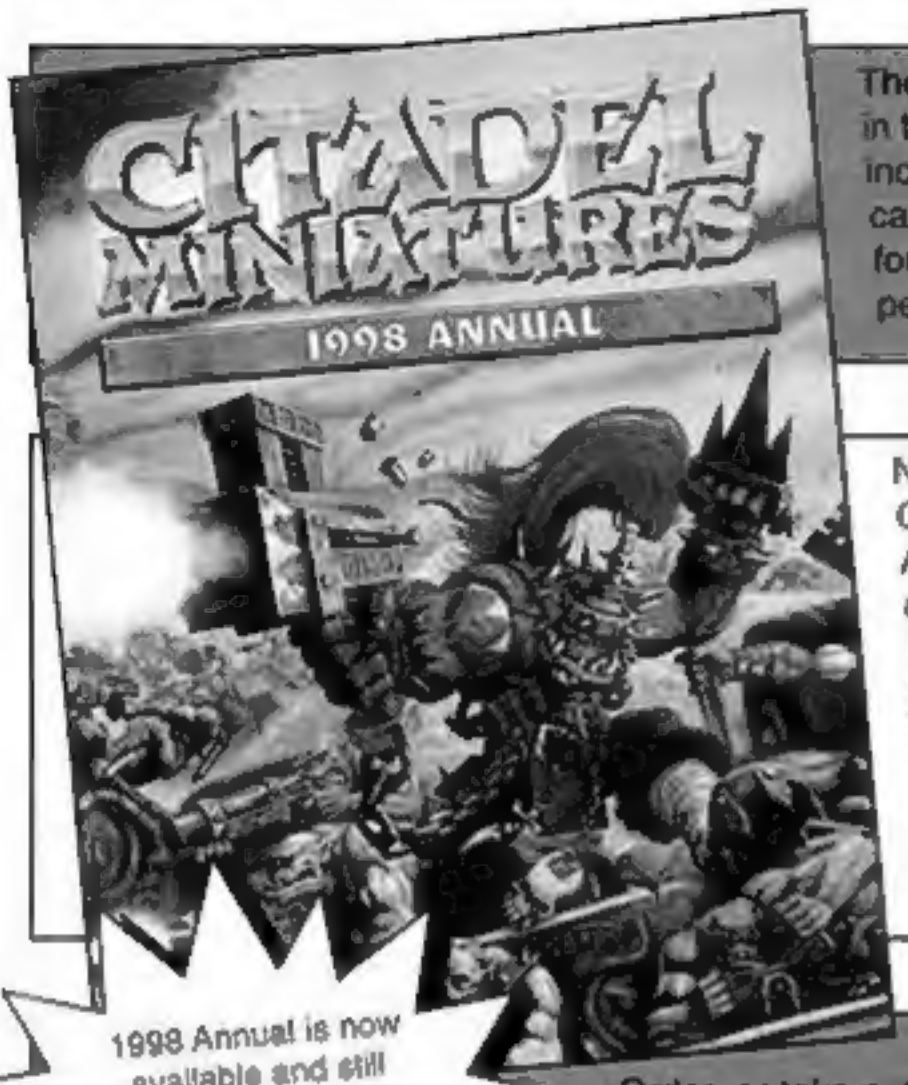
THE 1998 CITADEL® ANNUAL



The 1998 Citadel Annual contains all the miniatures in the current Citadel Miniatures line. But even better it includes all the models and their respective bits so you can see what makes up each miniature. This is great for those who want to make elaborate conversions or perhaps just add that little extra piece to their army.

NOTE: You may say to yourself, "but I have the 1997 Citadel Annual, why do I need the 1998 Citadel Annual? Well, to make it easier for the trolls, all the model codes have been changed. This makes the 1997 Citadel Annual obsolete (Unless of course you just like looking at the pictures.)

FREE $10 VOUCHER: Every new 1998 Citadel Annual includes a $10 voucher good towards any future purchase with mail order! So, you get your investment right back when you order!

1998 Annual is now available and still only $10! Over 460 pages, 100 more pages than last year's edition!!!
